## A few days later

# I was careless

MOM, THIS SORT OF MILK REALLY EXISTS... IS THIS MILK REALLY SAFER? THE WARNINGS ARE...

"AS SOON AS YOU DRINK THIS IT WILL HAVE EFFECT." WHAT IS THIS THING TOTALLY MADE LIKE A SORRY... SHOULD I AT LEAST TRY IT?"

At this point, you all might be thinking why I drink this even after reading the warnings... You might not understand

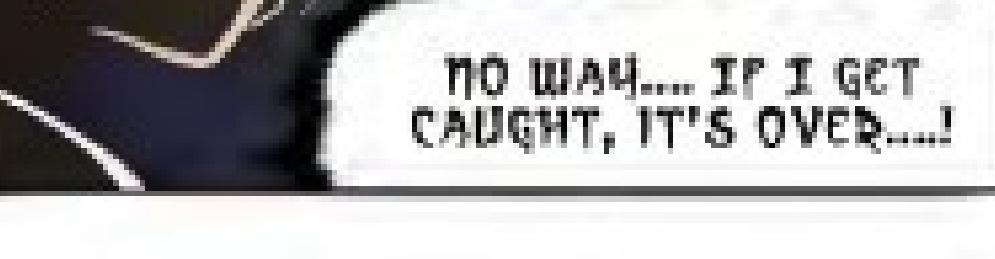

But isn't it the same to people smoking cigarettes even after reading the warnings?  
I think I feel a bit like that.  
From Lin Shiyu's humor "I was foolish"

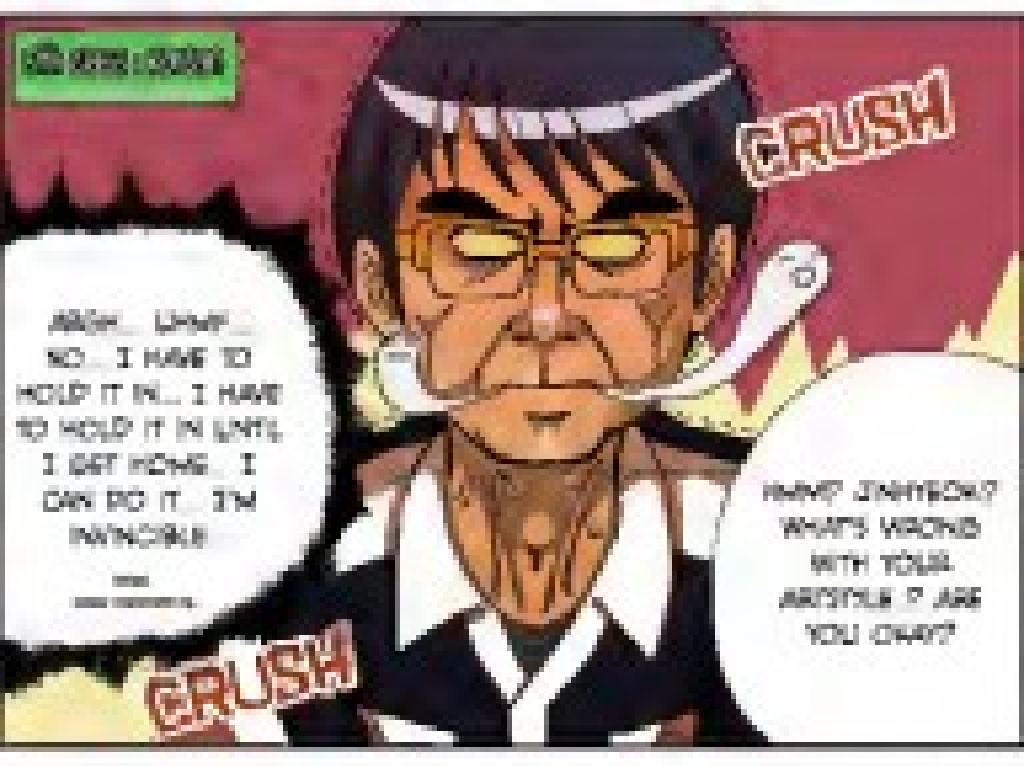

# That is my future

Umm... Mr. What is this... There's no way... It's way too effective...

My stomach which had been unresponsive no matter what I did for the last 3 days just immediately...
